

Iowa Itemized Deductions Worksheet

**To be used only if your Federal AGI is more than \$126,600 OR
if Federal AGI is more than \$63,300 when claiming married filing separately.**

This worksheet will compute the amount of itemized deductions to enter on line 39 of the IA 1040. Married filing separate returns (filing status 3 or 4) need to prorate their itemized deductions on line 39 in the ratio of each spouse's net income on line 26 of the IA 1040 to the total net income of both spouses. If you did not complete Federal Schedule A, fill out the worksheet below, as if you did itemize on your Federal return.

NOTE: Deduct from lines 1, 2 and 4 below the amount of health insurance from line 18 of the IA 1040 that was deducted on Federal Schedule A.
